

Criteria for Marriage in a church where you do not live.

If you are hoping to be married in one of our churches BUT you do not live in the benefice the following information will be useful for you.

You can marry in a Church of England church if you can show:-

That one of you:

- has at any time lived in the parish for a period of at least 6 months **or**
- was baptised in the parish concerned **or**
- was prepared for confirmation in the parish **or**
- has at any time regularly gone to normal church services in the parish church for a period of at least 6 months **or**

That one of your parents, at any time after you were born:

- has lived in the parish for a period of at least 6 months **or**
- has regularly gone to normal church services in the parish church for a period of at least 6 months **or**

That one of your parents or grandparents:

- was married in the parish

And did you know that if you move house, you're immediately connected to the church there? That means you can marry in the church of your new parish.

In all cases involving church services - i.e. going to normal church services, baptism, confirmation or marriage - this applies only to Church of England services. Even if you cannot demonstrate any of the above connections, we want to help you explore whether it may still be possible for you to marry in your special church.

Talk to the Vicar well in advance to discuss the options open to you.
